Size I/5.5mm hook, tapestry needle, scissors

SIZE

Finished size 26 in x 34 in

STITCHES

Herringbone Half Double Crochet (HHDC): YO, insert your hook, YO, pull up a loop and pull directly through first loop on hook, YO and pull through remaining two loops on hook.

PATTERN

Chain a foundation row of 82 stitches (You may also just chain 82).

In the second chain from the hook, work your first HHDC. Or, if you did a foundation chain, Chain 2 and then work your first HHDC into the first foundation row chain.

Note: I like to chain 2 at the end of every row and then work my first stitch into the first stitch of the new row. I do not treat the chain to as the first stitch. It simply adds height. This is personal preference. If you like working into the turning chain when you get to the end of the row feel free. I do not, and that is why I work into the last HHDC and not the turning chain.

I worked the first ten rows in off-white, the next ten in Charcoal Heather, the next ten in Off-White, the next ten in Gold, ten in Off-White, ten in Autumn Red, ten in Off-White, ten in Sage, ten in Off-White. I wove in all the ends before starting the border.

BORDER

I pulled up a loop in any corner, with Off-White and worked one HHDC into the same place and in every stitch around the blanket. I worked 10 per each color on the sides and three into each corner. When finishing a round, I worked the final 2 HHDC into my starting space, slip stitched to the starting HHDC, Chained 2 and worked 2 more rounds around the entire blanket in HHDC, always working 3 into each corner.
