STITCHES

Single Crochet (SC): Insert your hook, yarn over (YO) and pull up a loop, YO and pull through two loops on hook.

Single Crochet 2 Together (SC2TOG): Insert your hook into the first stitch, YO and pull up a loop, insert your hook into the next stitch, YO and pull up a loop, YO and pull through all loops on your hook.

PATTERN

Chain 177 with Gray (if you'd like to make a larger blanket, the pattern repeat is 29 + 3).

Row 1: In the second chain from the hook and the next chain, SC2TOG. (insert your hook into the first chain, pull up a loop, insert your hook into the next chain, pull up a loop, yarn over and pull through all loops on your hook). *SC in the next 13 chains, work 3 SC into the next chain, SC in the next 13 chains, skip 2 chains. Repeat from *. After you have worked the last 13 chains, you should have two extra. SC2TOG, these last two stitches. Chain 1 and turn.

Row 2: (From now on insert your hook into back loop only of each stitch.) Now, start the next row by SC2TOG, *then work 13 SC, work 3 SC into the next stitch (this should be the middle stitch of the 3 SC you did in the row before), work 13 SC, skip two stitches at the bottom for the valley, and repeat from *.

Always remember to SC2TOG when you end a row, and start a row. Always skip two stitches for a valley, always work 13 up each side. Always work 3 SC into one stitch for the peak. Always chain 1 and turn.

Color changes went as follows: 4 rows Dove, 4 rows White, 4 rows Mint, 4 rows White. Repeat 5 times or as long as you wish.

BORDER

After weaving in all ends, I started in any corner and worked a SC into each stitch around, working one into the valleys. I worked 3 SC into each corner and 3 into the top of each peak. I worked around the blanket six times all in the same direction. I finished by slip stitching to the first stitch of the round and wove in all the ends.

To get a really nice finish, lay the blanket out on blocking mats, pin into shape and then use a spray bottle to press the blanket further into shape. Let it dry completely. Then take out the pins and gift!
