## **BORDER**

After weaving in all the ends, pull up a loop in any corner, ch 2. Work one HHDC per stitch around the entire blanket, working 3 HHDC into each corner space. When returning to the starting corner, work two HHDC and slip stitch to the starting ch 2. CH 2 and turn.

Work the next round in the same manner, into the front loops of each stitch as you did the main blanket. Always work 3 HHDC into each corner space.

Work the border for a total of 5 rounds. Slip stitch into final space and tie off and weave in the ends.
