### SIZE

Baby size, or use head size chart below

### STITCHES

**Single Crochet (SC):** Insert your hook, yarn over (YO) and pull up a loop, YO and pull through two loops on hook.

**Herringbone Half Double Crochet (HHDC):** YO, insert your hook, YO, pull up a loop and pull directly through first loop on hook. YO and pull through two loops on hook.

## **PATTERN**

Chain with white to about an inch short of the length you need. (The chain grows after the first row.)

**Row 1:** In the third chain from the hook, work one HHDC (herringbone half double crochet) Work HHDC in each chain space to the end. CH 2 and turn.

**Rows 2 -18:** HHDC in each stitch across working the color changes in this order every two rows: grey heather, white, dark sage, white, autumn red, white, sunshine, white.

Cut and leave long ends for weaving after every color change, especially on the last row of white, so you will have a long tail to use gather the top of the hat together.

### **BRIM of hat:**

Pull up a loop in the starting chain corner and chain 8.

SC in the second chain from the hook and the next 6 chains for a total of 7 SC. Slip Stitch into the next space and the next. Turn, work into the back loops of each of the 7 SC. CH 1 and turn. Work into the back loops of each of the 7 SC, slip stitch into the next two spaces. Continue working the brim in this manner to the end of the row, tie off.

With your tapestry needle, start at the bottom of the hat and join the two sides together using the tails to sew and weave the ends in together. At the top, use the long tail to gather the top of the hat together. Weave in all ends and cut.

Make and add pom pom if you desire.

This size of the hat pictured is a 11.5 inch circumference and my starting chain was 46.
