**Row 11:** Repeat row 7.

**Row 12:** Repeat row 8.

For the remaining scarf, for as many rows as you wish, until you have the scarf as long as you wish, **repeat rows 1 - 12.**

## BORDER

Work one DC into the tops of each HDC with white. CH 2 and turn. Next row, work alternating front post and back post DC around each of the DC posts, stopping at the CH 2. Work a DC under the CH 2, then CH 2 and turn. Repeat for 7 rows, or as wide as you wish.

Pull up a loop on the other end of the scarf and work DC into each stitch and make the ribbing as above.

Tie off and weave in all ends.

*Tip: If you choose to work with velvet, it is slippery! When you are carrying the yarn, give the yarn being carried a tug before you change colors. But, it still will pop through here and there.*

It's a beautiful scarf when finished and very cozy.
