## PATTERN

**Chain 102** with White. (There is no pattern repeat, feel free to chain any number to the size you want.)

**Row 1:** Starting in the 3rd chain from the hook, work 1 HDC in each chain. CH 2 and turn.

**Row 2:** Work 1 WHDC in each space across the row, making sure not to miss the last space between the last post and the turning chain. CH 2 and turn.

Add remaining rows until your blanket is square by repeating Row 2.

## BORDER

After finishing your last row of the blanket, chain 2 and turn the blanket to work down a side. HDC one stitch per one row. Work 3 HDC into the corner space. Continue working with HDC in between the posts across the bottom. Work 3 HDC into the corner space. Work up the side in the same manner as before crocheting 3 HDC into the corner space. Work HDC's across the top. Finish with 3 HDC in the corner and join with a slip stitch to starting chain 2. CH 2 and work in the same direction around the blanket 4 more times for a total of 5 rounds of border.

**Pom Pom Round:** Continuing on in the same direction, slip stitch the next 4 spaces. \*CH 3. In the first of the chain 3's, work DC5TOG Bobble. Slip stitch into the next stitch and the next 3. Repeat from \* around the entire blanket.

## DOTS

With your safety pins, mark the area where you would like to sew on your dots. Cut a piece of pipsqueak yarn approximately the width of the blanket. Thread through the needle, insert needle and bring it back up the width of three stitches, or your preference. Leave a 3 inch tail. Weave the needle in and out making a circle shape, then start filling in the circle. Check the back of the work and fill in any spaces as you go. Work your needle up and down to fill in and cover the white yarn; you want the dots to look the same on both sides. When you have a small amount left, finish on the same side of the blanket that the first tail is on and tie the two ends together in a tight knot. Cut the ends as short as you can to disguise them.
