PATTERN

With White, **chain 98**. (Pattern repeat is a multiple of 4, plus 2.)

Row 1: With White, SC in the 2nd chain from the hook and CH 1. Skip one chain, then SC, CH 1. Skip the next chain and continue the pattern of SC, CH 1, SK 1 all the way across. Your last stitch in the final chain should be a SC. CH 1 and turn. (mesh stitch)

Row 2: SC into SC of previous row, and CH 1. Skip next CH, SC in next SC of previous row, and CH 1. Repeat across. Your last stitch should be a SC. CH 1 and turn.

Rows 3 - 6: Repeat row 2. On the last stitch of row 6, pull through with Pale Green.

Row 7: (Bobble row) SC in first SC, CH 1. *DC3TOG Bobble in next SC space, CH 1, SC in next SC of previous row, CH 1*, repeat ** across. CH 1, turn.

Row 8: *SC in first SC, CH 1, SC into top of bobble stitch, CH 1*. Repeat ** across. (In other words, you are working SC, CH 1 in every other stitch). On the last SC, pull through with Soft Grey. CH 1 and turn.

Row 9: (Bobble Row) Repeat instructions for row 7.

Row 10: Repeat instructions for row 8, and pull through with Terra Cotta at end of row.

Row 11: (Bobble Row) Repeat instructions for row 7.

Row 12: Repeat instructions for row 8, and pull through with White at end of row.

Then repeat row 2, working 6 rows of mesh stitch in white before working 3 rows of bobbles again. Repeat until blanket measures appx. 40 in or desired length.

BORDER & TASSELS

When I finished the blanket, I wove in all the ends and worked one row of SC around the outside of the blanket, putting 3 SC's in each corner. Then I added tassels on the ends.

To add tassels, cut several 8 to 9 inch pieces of yarn. Take two to three pieces of yarn and fold them in half. Insert the folded end into the chain spaces on the ends of your blanket. Pull the ends through the loop and pull tight to make a knot. For this blanket, I ended up putting a tassel in every other stitch on the ends, but you can space yours out however you desire. You can also make the tassels longer by cutting longer pieces of yarn, or trim them down if you want them to be shorter.
