**Double Crochet (DC):** YO, insert your hook, YO and pull up a loop, YO and pull through two loops, YO and pull through remaining two loops.

**Front and Back Post Double Crochet:** A front post double crochet (DC) means you insert your hook from front to back around the post of the next DC and work your DC. A back post DC means you insert your hook from the back to the front and work a DC.

## PATTERN

**Chain 115.** (The pattern repeat is 14 plus 3. That means if you'd like to make your blanket larger, multiply any number times 14, then add 3.)

**Base Row:** In the 3rd chain from the hook, work 1 DC. Work 1 DC into each of the next chain spaces. Chain 2 and turn.

**Row 1:** Start in the bottom right hand corner of the graph working right to left. The chain 2 turning chain counts as the first stitch. Work 1 front post DC (FPDC) around each of the next 6 DC. \*Work 1 back post DC (BPDC) around the next DC. Work 1 FPDC around each of the next 13 DC. Repeat from \* across the row, working the last 7 dc with FPDC, (do nothing with the starting skipped two chains.) CH 2 and turn.

**Row 2:** Work left to right on the graph. The turning chain is the first DC. Work BPDC around each of the next 5 posts. (Keep the work popping out in the same direction.) \*Work FPDC around each of the next 3 posts. Work BPDC around each of the next 11 posts. Repeat from \* across the row. Working last 5 BPDC stitches around posts. The final DC underneath the turning chain. CH 2 and turn.

**Row 3:** Work the graph right to left, Work FPDC around each of the next 4 posts. (Remember that the 1st square of the graph is the turning chain, now and throughout) \*Work BPDC around each of the next 5 posts. FPDC around each of the next 9 posts. Repeat from \* across the row ending 1 FPDC around each of final 4 posts and 1 DC under turning chain. CH 2 and turn.

**Row 4:** BPDC around each of the next 3 posts. \*FPDC around each of the next 7 posts. BPDC around each of the next 7 posts. Repeat from \* across the row ending 1 BPDC around each of final 3 posts and 1 DC under turning chain. CH 2 and turn.

**Row 5:** FPDC around each of the next 2 posts. \*BPDC around each of the next 9 posts. FPDC around each of the next 5 posts. Repeat from \* across the row, ending with FPDC around each of the final 2 posts and 1 DC under the turning chain. CH 2 and turn.

**Row 7:** (Remember that the chain 2 is the first stitch, the first block on the graph) \*BPDC the next 13 posts. FPDC the next post. Repeat from \* across the row. (Your last stitch will be a DC around the turning chain and that is the last white space on the graph.) CH 2 and turn.
