PATTERN

Chain 90 with Pearl. (Any even number will work if you'd like to make this a different size.)

Row 1: Work 1 HDC (half double crochet) in the 3rd chain from the hook. Work 1 HDC into each chain space. CH 2 and turn.

Rows 2 - 4: (turning chain does not count as a stitch) Work 1 HDC into each stitch across the row. Pull through with Cloud on the last step of the HDC of row 4. (Don't cut the Pearl if you'd like to carry the yarn up the sides.)

Rows 5 - 8: Work HDC in each stitch always chain 2 and turn at the end of every row. On row 8, pull back through with Pearl on the last step of the stitch. (Don't cut Cloud, if you'd like to carry that yarn up the sides.)

Rows 9 - 10: Work 1 TC (treble crochet) into the first stitch. Work 1 SC (single crochet) into the next stitch. Repeat alternating TC and SC in each stitch across the row, your last stitch will be a SC. Chain 2 and turn. (At the end of the 10th row, change color and pull through with Cloud.)

Rows 11 - 14: Work HDC into each stitch with Cloud. Always CH 2 and turn.

Rows 15 - 28: Repeat Rows 1 - 14 except substitute the color Powder for Cloud.

Rows 29 - 74: Repeat the pattern alternating the Powder and Cloud. Refer to the color chart below.

BORDER

Round 1: Secure the last stitch while you weave in all ends. Return to the last stitch, chain 3 and turn. Work 1 DC into each stitch across the row. Work 3 DC into each corner. Work 1 DC as evenly as possible down the sides of the blanket.

Round 2: Don't join the round or turn your work. Start the next stitch of the round with a front post double crochet (FPDC) and alternate in the next stitch with a back post double crochet (BPDC). Work 3 alternating FPDC and BPDC around the middle stitch of the 3 DC of the row below that made the corners.

Round 3: Don't join the round, continue with FP and BP DC keeping the posts on the same side of the work as the row below. Join at the end of the row with a slip stitch. Tie off and weave in the ends.
