PATTERN

There isn't a pattern repeat. The best starting chain is one that is measured from the tip of your nose to the crown of your head. Or, measure that of the person you are making it for.

Chain 40. (This was my measurement.)

Row 1: In the 3rd chain from the hook, work 1 HDC. Work 1 HDC into each stitch across stopping 3 chains from the end. Work slip stitch into each of the last 3 chains. Chain 1 and turn.

Row 2: Work 1 slip stitch into the back loop of each of the next 3 stitches. Work 1 HDC into the back loop of each of the remaining stitches. Chain 2 and turn.

Row 3: Work 1 HDC into the back loop of each HDC across the row, work 1 slip stitch into the back loop of each of the remaining 3 sts. Ch 1 and turn.

Repeat rows 2 and 3 until your hat is approximately 17.5 inches wide. Or if you have a larger head work a few more rows.

To finish:

Slip stitch the sides together and then weave in the ends tightening the top of the hat to gather it in further with one of the ends.

Attach a pom pom. Finished!
