Row 13: Repeat row 3.

Repeat rows 2 through 13 for the remainder of the blanket. (I ended with 15 sets of triangles)

BORDER & TASSELS

Before adding tassels I worked one round of HDC around the edge of the blanket, working 3 HDCs into the corners.

To add tassels, cut several 9 to 10 inch pieces of yarn. Take two pieces of yarn and fold them in half. Insert the folded end into the chain spaces at the ends of the blanket. Pull the ends through the loop and pull tight to make a knot. I put my tassels every 3 chain spaces above the last row of HDC, but you can space yours out however you desire. Trim tassels to even out if you desire.
