STITCHES

Single Crochet (SC): Insert your hook, yarn over (YO) and pull up a loop, then YO and pull through two loops.

Puff Stitch: *YO, insert your hook, YO and pull up a loop. Repeat from * 3 more times, inserting your hook into the same space. YO and pull through all loops.

PATTERN

Chain 120 (or any even number.)

ROW 1: Starting in the 4th chain from the hook, work a SC, CH 1. Skip the next chain then work another SC, CH 1. Continue working SC, CH 1 in every other chain. You should end with one SC in the last chain. CH 2 and turn.

ROW 2: Work a SC, CH 1 into the chain one space of the row below (in the space underneath the 4th chain from the hook). Skip the next stitch, then work a SC, CH 1 in the next chain one space. Continue working SC, CH 1 into the all the chain one spaces from the row below. End with a SC that is between the last stitch and the turning chain of the row below. Chain 2 and turn.

ROWS 3 - 5: Repeat row 2 (moss stitch).

ROW 6: Work this row in the same way you worked the previous rows, but replace each SC with a puff stitch. In other words, work a puff stitch into the chain one space of the row below (the same place where you would normally work your SC), then chain 1. Then work a puff stitch, CH 1 into the next chain one space. Continue working puff stitch, CH 1 into the all the chain one spaces from the row below, except when you reach the very last space - end with a SC that is between the last stitch and the turning chain of the row below. Chain 2 and turn.

Repeat rows 1 through 6 until you reach your desired length, then end with 5 rows of moss stitch to match the opposite end of the blanket. You should always have 5 rows of moss stitch in between each puffs row and you should always chain 2 and turn at the end of each row. I had enough yarn to have 16 puff rows total.

Also, when you are working the row right after the puff row, it can be kind of tricky to see where to insert your hook, but just remember to treat those puffs as if they were single crochets and to insert your hook into the chain one spaces on either side of them, just like the regular moss stitch.

BORDER & TASSELS

When I finished the last five rows of moss stitch of my blanket, I worked one round of moss stitch (SC, chain one, skip one) around the outside of the blanket, working 3 SCs into each corner. Then when I reached the corner I started with, I slip stitched into the corner and tied off.

For the tassels, cut several 9 to 10 inch strands. Take two to three pieces of yarn and fold them in half. Insert the folded end into the chain space above your border row. Pull the ends through the loop and pull tight to make a knot. You can space them out however you wish, make them as thick or as thin as you like, and trim them to be however long you like (mine are about 3 inches long).
