Easy Crochet Cotton Neck Warmer

Pattern by Hannah Brown McKay

MATERIALS

Yarn Bee Cotton XXL (100% cotton, 3.5 oz, 50 yds)
1 skein Mustard, Almond or Celadon
Size M/9.00mm hook, tapestry needle, scissors

SIZE

Finished size 20 in x 5 in

STITCHES

Single Crochet (SC): Insert your hook, yarn over (YO) and pull up a loop, then YO and pull through two loops.

PATTERN

Chain 48. (If you'd like to make this in a different size, all you need to do is start with a base chain that is any even number. You can use measuring tape to measure the fit around your neck or the neck of the person you are making for.)

ROW 1: Starting in the 4th chain from the hook, work a SC, CH 1. Skip the next chain then work another SC, CH 1. Continue working SC, CH 1 in every other chain. You should end with one SC in the last chain. CH 2 and turn.

Tip: If after working this row your base chain is too saggy, you can try working it again by inserting your hook underneath the top two loops of the chain instead of just the top loop.

ROW 2: Work a SC, CH 1 into the chain one space of the row below (in the space underneath the 4th chain from the hook). Skip the next stitch, then work a SC, CH 1 in the next chain one space. Continue working SC, CH 1 into the all the chain one spaces from the row below. End with a SC that is between the last stitch and the turning chain of the row below. Then CH 2 and turn.

Repeat row 2 until you have eleven rows.

Then use the yarn you have left to sew the two sides together with a tapestry needle. After I sewed up the side, I had enough yarn to go back down the side again, so I did, just to keep it extra secure. Then I hid my ends by weaving them into the scarf with my tapestry needle.
