STITCHES

Double Crochet (DC): Yarn over (YO), insert your hook, YO and pull up a loop, YO, pull through two loops, YO, pull through remaining two loops.

Front and Back Post Double Crochet (FPDC & BPDC): A front post double crochet means you insert your hook from front to back around the post of the next DC and work a DC. A back post double crochet means you insert your hook from back to front around the post of the next DC and work a DC.

PATTERN

Chain 20.

ROW 1: Starting in the 4th chain from the hook, work 1 DC in each chain. CH 2 and turn.

ROW 2: The chain 2 counts as the first stitch. Around the next stitch, work a Front Post Double Crochet (FPDC). Around the next stitch, work a Back Post Double Crochet (BPDC). Continue alternating FPDC and BPDC to the end of the row. When you reach the end of the row, work a regular DC underneath the turning chain. CH 2 and turn.

ROW 3: The chain 2 counts as the first stitch. Around the next stitch, work a BPDC. Then work a FPDC. Continue working BPDC, FPDC to the end of the row. Chain 2 and turn. *(In other words, you are always working around the post in a way that it sticks out in the same direction as the row below.)*

Repeat rows 2 through 3 until your scarf measures between 50 and 55 inches or your desired length.

After my scarf was about 50 inches long, I slip stitched the two ends together by lining them up evenly and inserting my hook through both sides, yarning over, then pulling directly through the loop on my hook. After I slip stitched the sides together, I tied off and left myself a long tail, then used a tapestry needle to weave the tail in and out of the seam to keep it extra secure.

When you are finished, weave in all your ends with a tapestry needle, turn it inside out so the seam is on the inside, then enjoy your super cozy infinity scarf!
