STITCHES

Half Double Crochet (HDC): Yarn over (YO), insert your hook, YO and pull up a loop, YO, pull through all 3 loops on hook.

Double Crochet (DC): YO, insert your hook, YO and pull up a loop, YO, pull through two loops, YO, pull through remaining two loops.

Wide Half Double Crochet (WHDC): YO, insert your hook between stitch posts, YO and pull up a loop, YO, pull through all 3 loops on hook.

Front and Back Post Double Crochet (FPDC & BPDC): A front post double crochet means you insert your hook from front to back around the post of the next DC and work a DC. A back post double crochet means you insert your hook from back to front around the post of the next DC and work a DC.

PATTERN

Tips to know before you start:

- Pull through with the new color on the last step of the stitch.*
- Lay whichever color you aren't using along the top of your work and crochet over it as you go.*
- To avoid your yarn getting twisted as you carry it along your work, it helps to always keep one color to the front and one color to the back each time you switch colors.*
- When turning to a new row, wrap the color not in use around the side of your work and continue to crochet over it as you go.*

Chain 103 with Blue. (Pattern repeat is any multiple of 10, plus 3.)

ROW 1: Starting in the 3rd chain from the hook, *work 1 HDC with Blue, then work a HDC in each of the next 9 chains with White. Repeat from * to the end of the row. You should end with 1 HDC in Blue in the last chain. CH 2 and turn.

ROW 2: Work a WHDC in the first space with Blue, then work a WHDC in each of the next 8 spaces with White. *Work a WHDC in each of the next 2 spaces with Blue, then work a WHDC in each of the next 8 spaces with White. Repeat from * to the end of the row. The last 2 stitches of the row should be Blue. CH 2 and turn. (Last stitch should be worked between the turning chain and last stitch.)

ROW 3: Work a WHDC in each of the first 2 spaces with Blue, then work a WHDC in each of the next 7 spaces with White. *Work a WHDC in each of the next 3 spaces with Blue, then work a WHDC in each of the next 7 spaces with White. Repeat from * to the end of the row. The last 2 stitches of the row should be Blue. CH 2 and turn.

Tip: If you'd like, when working your WHDCs you can insert your hook underneath the yarn you carried on the previous row to hide it better. This can also help keep your stitches tighter so that the velvet doesn't cause any loops to slip loose.

ROW 4: Work a WHDC in each of the first 2 spaces with Blue, then work a WHDC in each of the next 6 spaces with Blue. *Work a WHDC in each of the next 4 spaces with Blue, then work a WHDC in each of the next 6 spaces with White. Repeat from * to the end of the row. The last 3 stitches of the row should be Blue. CH 2 and turn.

ROW 5: Work a WHDC in each of the first 3 spaces with Blue, then work a WHDC in each of the next 5 spaces with White. *Work a WHDC in each of the next 5 spaces with Blue, then work a WHDC in each of the next 5 spaces with White. Repeat from * to the end of the row. The last 3 stitches of the row should be Blue. CH 2 and turn.

ROW 6: Work a WHDC in each of the first 3 spaces with Blue, then work a WHDC in each of the next 4 spaces with White. *Work a WHDC in each of the next 6 spaces with Blue, then work a WHDC in each of the next 4 spaces with White. Repeat from * to the end of the row. The last 4 stitches of the row should be Blue. CH 2 and turn.

ROW 7: Work a WHDC in each of the first 4 spaces with Blue, then work a WHDC in each of the next 3 spaces with White. *Work a WHDC in each of the next 7 spaces with Blue, then work a WHDC in each of the next 3 spaces with White. Repeat from * to the end of the row. The last 4 stitches of the row should be Blue. CH 2 and turn.

ROW 8: Work a WHDC in each of the first 4 spaces with Blue, then work a WHDC in each of the next 2 spaces with White. *Work a WHDC in each of the next 8 spaces with Blue, then work a WHDC in each of the next 2 spaces with White. Repeat from * to the end of the row. The last 5 stitches of the row should be Blue. CH 2 and turn.

ROW 9: Work a WHDC in each of the first 5 spaces with Blue, then work a WHDC in the next space with White. *Work a WHDC in each of the next 9 spaces with Blue, then work a WHDC in the next space with White. Repeat from * to the end of the row. The last 5 stitches of the row should be Blue. CH 2 and turn.

ROW 10: Work a WHDC in each space across the row with Blue. Continue to carry the White and crochet over it across the row. CH 2 and turn.

Repeat rows 1 through 10 for the remainder of the blanket. I finished my blanket when I had 10 sets of triangles.

BORDER

Before beginning the border, weave in the ends. With velvet we like to leave long tails and discreetly knot them into the stitches as we are weaving them in. Just weave them around a stitch and back through the tail and knot the yarn to a stitch and continue weaving through. This will help the tails from slipping out.

Round 1: With Blue, work 1 DC into each stitch and 1 DC per row on the sides of the blanket, and 3 DC into each corner space. Join with a slip stitch to the beginning DC. Continue in the same direction.

Round 2: Work alternating front and back post around each DC. When you reach a corner, work 3 alternating front and back post around the middle DC of the 3 DC that made the corner in the round prior. (In other words, if you get to the corner post and you are supposed to work a FPDC, then work a FPDC, a BPDC, and a FPDC all around that corner post. Then in the next stitch you would continue the alternating pattern, working the opposite of whichever stitch you just used.)

Rounds 3 - 5: Continue working in same direction and repeat round 2. Always match your post double crochets so that they are poking out in the same direction as the previous row. When you finish the last round of your border, slip stitch into the starting corner and tie off.
