2 skeins Yam, Butternut or Petunia

J/6.00mm hook, tapestry needle, scissors

*Optional Link to YouTube Video Tutorial: <https://youtu.be/XfPu2deVtOI>*

### SIZE

Finished size 70 in x 5 in (including tassels)

### STITCHES

**Half Double Crochet (HDC):** Yarn over (YO), insert your hook, YO and pull up a loop, YO and pull through all three loops on hook.

**Half Double Slip Stitch (HDSS):** YO, insert your hook, YO and pull up a loop and pull directly through two loops on hook.

## PATTERN

**Chain 185** or make a chain that measures the desired length of your scarf.

**ROW 1:** Starting in the 3rd chain from the hook, work 1 HDC into each chain. Chain 2 and turn.

**ROW 2:** (The turning chain does not count as a stitch.) Work 1 HDSS into each stitch across the row. Chain 2 and turn.

**ROW 3:** (The turning chain does not count as a stitch.) Work 1 HDC into each stitch across the row. Chain 2 and turn.

**Repeat rows 2 through 3** until your scarf measures about 5 inches wide.

For a variation of this pattern, try working in the front loop only or the back loop only. In the pictures above you can see the difference between each version: the gold colored scarf is from inserting my hook under both loops (like normal), the pink colored scarf is working in the back loop only and the orange colored scarf is front loop only.

When you finish your scarf, tie off and weave in all ends with a tapestry needle. If you'd like you can add tassels by cutting about 40 ten inch pieces of yarn and tying them to each end of your scarf. To make a tassel, take two pieces of yarn and fold them in half and insert the folded end through a space on the end of your scarf. Pull out the folded end so that it makes a loop, then pull the ends through the loop and pull tightly to make a knot.
