Optional Link to YouTube Video Tutorial: <https://youtu.be/GiX9DIozdck>

SIZE

AVERAGE HEAD CIRCUMFERENCE

Preemie	12-13 inches
Newborn-3 Months	13-14 inches
3-6 Months	14-15 inches
6-12 Months	15.5-16.5 inches
12-24 Months	16-18 inches
Child (3-10 years)	19-21 inches
Teen/Small Adult	21 inches
Medium Adult	22 inches
Large Adult	23 inches

STITCHES

Double Crochet (DC): Yarn over (YO), insert your hook, YO and pull up a loop, YO and pull through two loops, YO and pull through remaining two loops.

Wide Double Crochet (WDC): YO, insert your hook between stitch posts, YO and pull up a loop, YO and pull through two loops, YO and pull through remaining two loops.

PATTERN

For a baby/child size, chain 25, for a teen/adult size, chain 30.

ROW 1: Starting in the 4th chain from the hook, work a DC into each chain (YO, insert your hook, YO and pull up a loop, YO and pull through two loops, YO and pull through remaining two loops). Chain 2 and turn.

ROW 2: Work a WDC in each space across the row (make sure the last WDC is between the last stitch and the turning chain of the previous row.) Chain 2 and turn.

Repeat row 2 until the length measures 3 inches less than your head circumference.

When you reach your desired length, fold in half and slip stitch the sides together (you can also cut a really long tail and sew them together if that's easier).

After you put the sides together, cut a long tail that you can use to sew the ends together and turn the headband inside out so the seam is on the inside.

Fold it in half with the seam facing toward you and place the left edge of the front panel in the center of the back panel.

Then wrap the front right edge around the back and bring the back left edge around to the front so that it makes a backwards "S" shape.

Use a tapestry needle to sew the headband together, making sure you inserting your needle through all the layers. Weave in ends and turn the headband inside out to see your twist!

xo, Hannah
