PATTERN

Chain 20.

ROW 1: Work Half Double Slip Stitch (HDSS) in second chain from the hook and into each chain across the row. CH 1 and turn.

ROW 2: *Work HDSS in each stitch across the row, CH 1 and turn. Repeat from * until band measures 2 inches smaller than head circumference. Average adult is 22 inches make the band 20 inches. This was 68 rows for me.

For a child: Chain 16 and use the same instructions.

For the twist:

Step 1: Lay the band out and fold in half and slide one side of the band across so one end is matched up to the middle of the other.

Step 2: Fold the right hand side around the back.

Step 3: Fold the left hand side around the front, giving you four layers

Step 4: Sew with the tapestry needle through all four layers. Tie off and knot your ends together.

Turn the headband so the seam is on the inside of the headband and you have a twist.
