Crochet Velvet Post Lines Throw

Pattern by Hannah Brown McKay

MATERIALS

Bernat Velvet Plus (100% polyester, 300 g/10.5 oz, 71 m/78 yds)

12 skeins Pink Dusk

Size N/P/10.00mm hook, tapestry needle, scissors

SIZE

Finished size 42 in x 56 in

Gauge 4 in = 6 st and 5 rows of post DC

STITCHES

Double Crochet (DC): Yarn over (YO), insert your hook, pull up a loop, YO, pull through two loops, YO, pull through remaining two loops.

Front and Back Post Double Crochet (FPDC & BPDC): A front post DC means you insert your hook from front to back around the post of the next DC and work your DC. A back post DC means you insert your hook from the back to the front and work a DC.

Half Double Crochet (HDC): YO, insert hook, YO and pull up a loop, YO and pull through all three loops.

Wide Half Double Crochet (WHDC): YO, insert hook in between stitch posts, YO and pull up a loop, YO and pull through all three loops.

PATTERN

Chain 67. (To make your blanket bigger or smaller, multiply any odd number by 3, then add 4.)

ROW 1: Starting in the 4th chain from the hook, work a DC in each chain. Chain 2 and turn.

ROW 2: *Work FPDC around each of the first 3 posts, then work BPDC around each of the next 3 posts. Repeat from * to the end of the row. For the last stitch, work a DC underneath the turning chain. Chain 2 and turn.

(Tip: your first FPDC to work is around the second post in the row below, not the post that lines up under the turning chain.)

ROW 3: *Work BPDC around each of the first 3 posts, then work FPDC around each of the next 3 posts. Repeat from * to the end of the row. (Your post stitches should be sticking out the same direction as the previous row.) Chain 2 and turn.

Continue alternating rows 2 and 3 for the remainder of the blanket, until your throw measures 56 inches or your desired length. Tie off and weave in all ends with a tapestry needle.

***Note:** Normally when switching to a new skein when I run out of yarn, I just pull through with the new yarn wherever it runs out in the middle of the row, but for this blanket I always made sure to switch to a new skein at the end of the row so that I could knot the two tails together before weaving them into the blanket. This does mean that I had a little bit more leftover yarn than usual, but I'm planning to use the scraps for some more velvet scrunchies...and I think it was worth it to avoid any bulky knots showing up in the middle of my blanket.*

BORDER

Round 1: Pull up a loop in any corner and chain 2. Work WHDC around the blanket (on the ends insert your hook between the dc posts and on the sides insert your hook into the spaces between each row). Work 3 HDCs into each corner space.

Round 2: When you reach the corner you started with, work 3 HDCs into the corner, then continue working wide HDC in the same direction around the blanket. This time, work 4 HDCs into the corner, two on either side of the middle stitch from the previous round.

Round 3: When you reach the corner you started with, work 4 HDCs into the corner, then continue working wide HDC in the same direction around the blanket. Work 3 HDCs into each corner space. When you reach the starting corner, work 3 HDCs into the corner space, then slip stitch into the next space and tie off.
