STITCHES

Single Crochet (SC): Insert your hook into the stitch under both little v's from the row below, yarn over and pull a loop back through, yarn over and pull through both loops on hook.

Front Loop Single Crochet: Work your single crochet stitch under the front loop of the little "v" in the stitch of the row below.

Extended Single Crochet (eSC): Insert your hook into the stitch under both little v's from the row below, yarn over and pull a loop back through, yarn over and pull through one loop on the hook, yarn over and pull through both remaining loops on the hook.

Yarn Over Slip Stitch (yoSLST): Yarn over, insert your hook into the stitch under both little v's from the row below, yarn over and pull through and continue pulling through all loops on the hook.

PATTERN

Tip: change colors at the end of rows only and carry yarn up the side through the rows of color. In my balls of yarn, I would find ends tied together, I would cut and only change color on the side of the blanket. Weaving in the ends with this type of yarn wasn't as easy to disguise as regular yarn so I did not do any yarn changes in the middle of the blanket.

Chain 120 with Marshmallow.

Row 1: Begin in the 2nd chain from the hook with 1 eSC. eSC into each chain across the row, CH 1 and turn. (119)

Rows 2 - 4: Work 1 eSC into each stitch across the row, CH 1 and turn. Add Ballet Slipper at the end of row 4, do not cut Marshmallow, carry it up the side. (119)

Rows 5 - 6: Work 1 yoSLSP into each stitch across the row, CH 1 and turn. Work HDC as last stitch of row 6 to pull through with Marshmallow to change color. Do not cut Ballet Slipper.

Rows 7 - 8: Work 1 SC into each stitch across the row, CH 1 and turn. Add Ballet Slipper at the end of row 8.

Rows 9 - 22: Repeat rows 5 - 6 and 7-8 until there are 5 stripes of Ballet Slipper.

Rows 23 - 26: Repeat rows 2 - 4.

Repeat rows 5 through 26 for the rest of the blanket making color changes as follows: Icy Aqua, Duckling, Misty Gray, Ballet Slippers, Icy Aqua, Duckling. End the blanket with 4 rows of eSC in Marshmallow.

Tip: To sum up, it's 4 rows of eSC, 2 rows of yoSLST in a color, 2 rows SC, repeated until 5 stripes of color. 4 rows of eSC in Marshmallow separates each section of color. End the blanket with 4 rows of eSC in Marshmallow.

BORDER

Round 1: Work one round of SC beginning in any corner. Pull up a loop and ch 1. SC in each stitch and at the end of each row as evenly as possible. Work SC, CH 1, SC, into each corner. Slip stitch to the starting SC. CH 1 and turn.

Rounds 2 through 5: Work SC in the front loop of each SC of the row below. Work 3 SC in the front loop of the ch 1 in each corner. Join with sl st to the first SC of each round, CH 1 and turn.

Tie off and weave in all ends.
