BORDER

Round 1: Pull up a loop in any corner and chain 2. Work one round of DC around the blanket. Work DC, CH 1, DC into each corner space.

Round 2: When you reach the corner you started with, work DC, CH 1 DC around the starting chain 2, then continue working in the same direction and work alternating front and back post DC around each DC. Work DC, CH 1, DC in the ch 1 spaces of the corners. (Make sure and work the DC of the row below that makes the corner in the FP or BP that keeps the sequence alternating correctly.)

Rounds 3 - 4: Continue working in the same direction and repeat round 2. Always match your post double crochets so that they are poking out in the same direction as the previous row. When you finish the last round of your border, slip stitch into the starting corner and tie off.
