PATTERN

With Sticky Rice, make a slip knot with a 12 inch tail.

Make a chain that measures the height of the person you are making the scarf for. I made mine 5 foot 5 inches.

Tie off and cut and leave a 12 inch tail.

Mark the first chain made.

Make a slip knot with a 12 inch tail. Begin in the first chain made, in the back loop with 1 SC. Work 1 SC into the back loop of each chain. Chain 1 at the end of the row, pull through and tie off and cut leaving a 12 inch tail. Do not turn.

*Make a slip knot with a 12 inch tail. Begin in the first SC in the back loop with 1 SC. Work 1 SC into the back loop of each SC. Chain 1 at the end of the row, pull through and tie off and cut leaving a 12 inch tail. Do not turn.

Repeat from * for remaining rows making the color changes after 3 rows of Sticky Rice. Work only 1 row of color and then 3 rows of Sticky Rice.

When finished, trim each end of tails evenly.
