PATTERN

CHAIN 22.

ROW 1: Starting in the 2nd chain from the hook, work 1 SC into each chain. CH 1 and turn.

ROW 2: Work 1 SC into the first stitch, then a bobble into the next stitch. *Work 1 SC into the next stitch, then 1 Bobble into the next stitch. Repeat from * across the row, ending with 1 SC in the last stitch. CH 1 and turn.

ROW 3: Work 1 SC into each stitch across the row. CH 1 and turn.

Repeat rows 2 through 3 until you have 21 rows total, then tie off. Set square aside and repeat instructions from beginning to make a second square.

For other variations, substitute a Bobble for a Treble Crochet or Berry Stitch.

BORDER

You can either weave in ends before beginning border, or simply hide them in the middle of your hot pad when you place the two squares together.

ROUND 1: Place squares together so they are evenly lined up, with the textured sides facing outward. Pull up a loop in top left hand corner and CH 3. Work one round of DC around the hot pad, inserting your hook through both squares. Work 21 DC along each of the sides and 3 DC in each corner space.

ROUND 2: Work 3 DCs into starting corner, then continue working in the same direction around the hot pad, this time alternating front and back post DC. When you reach a corner, work 3 alternating front and back post around the middle DC of the 3 DC that made the corner in the round prior.

ROUND 3: Continue working in same direction and Repeat round 2, making sure that post DCs are popping out in same direction as previous row. When you reach a corner, work 3 alternating front and back post around the middle DC post of the 3 DC that made the corner in the round prior. Slip stitch into the starting stitch and tie off, then weave in ends with a tapestry needle.
