Rows 22 - 23: With White work 2 rows of all HHDC. Always CH 2 and turn. Don't cut White, continue to border.

Border:

CH 1 and turn. Work 1 SC in the first stitch. *Skip the next st, work 2 SC into the next st. Repeat from * across the top, work 3 SC into the corner. Rotate the hot pad and work the side by working 2 SC around the chain 2 turning chains only. Work 3 SC into the corner. Rotate the hot pad and work across the bottom of starting chain by working 2 SC into the first space, skipping the next and working 2 SC into the next.

Work 3 SC into the corner, rotate the hot pad one last time to work the final side in the same manner as the first. Only work 2 SC around the chain 2 turning chains. Work 2 SC into the final corner and join with a slip stitch to the first stitch of the round. Tie off and weave in all the ends.

Back of Hot Pad:

Chain 28 with Sage Green.

Row 1: Begin in the 3rd chain from the hook with 1 HHDC. HHDC in each chain across the row. Chain 2 and turn.

Rows 2 - 23: Work HHDC in each stitch, chain 2 and turn.

Border:

Work in the same manner as above, except don't tie off, you'll use Sage Green to SC the two squares together.

Attaching the squares together:

With the Winter Tree right side facing you, place the green square behind. Take your hook out of the green loop, insert it through the white corner, then grab the loop and pull through. Yarn over and pull through slip stitching the two together. Now work SC under each color of stitches, joining them together. Work 3 SC in each corner. In the final corner, work 3 SC and join with a slip stitch to the first SC. Do not turn.

Dot Border:

**Chain 2. In the first chain, *yarn over and insert your hook, yarn over and pull up a loop. Repeat from * 3 more times. Yarn over and pull through all loops on your hook. Slip stitch into the stitch just below the chain 2 to secure the puff. Slip stitch into each of the next 4 sts. Repeat from ** around. Join with a slip stitch to the first st, tie off and weave in all ends.
