## PATTERN

*Tips to know before you start:*

- Pull through with the new color on the last step of the stitch.*
- Lay whichever color you aren't using along the top of your work and crochet over it as you go.*
- To avoid your yarn getting twisted as you carry it along your work, it helps to always keep one color to the front and one color to the back each time you switch colors.*
- To better cover up yarn that is being carried through, always insert your hook underneath the yarn that was carried across the previous row.*

With Dove, **chain 85**. (Pattern repeat is a multiple of 3, plus 4.)

**ROW 1:** Starting in the 3rd chain from the hook, work HDC cluster into each chain. CH 2 and turn.

**ROWS 2 - 3:** Work WHDC cluster into each space across the row. (Be sure not to miss the last stitch between the last post and the turning chain.) CH 2 and turn.

**ROW 4:** Work WHDC cluster into each of the first two spaces with Dove, then work 1 puff stitch into the next space with Red Wagon (still inserting your hook in between the posts). \*Work WHDC into each of the next two spaces with Dove, then work 1 puff stitch into the next space with Red Wagon. Repeat from \* to the end of the row. CH 2 and turn. Cut Red Wagon yarn, leaving a tail to weave into blanket later.

**ROWS 5 - 7:** With Dove, work WHDC cluster into each space across the row. (On row 5, be sure to insert your hook underneath the Red Wagon yarn that was carried through on the previous row to better hide the yarn.) CH 2 and turn.

**Repeat rows 4 through 7** for the remainder of the blanket, switching the polka dot colors as follows: 3 sets of Red Wagon dots, 3 sets of Brook dots, 3 sets of Posy dots, 3 sets of Green Mist dots, 3 sets of Red Wagon dots, 3 sets of Brook dots, 3 sets of Posy dots, 3 sets of Green Mist dots, 3 sets of Red Wagon dots.

## **BORDER**

Weave in all ends with a tapestry needle.

**Round 1:** With right side facing you, pull up a loop in corner and chain 2. Work one round of HDC around the blanket, working 3 HDCs into each corner. Do your best to work 1 HDC per row on the sides and 1 HDC per stitch on the ends of the blanket.

**Round 2:** When you reach the starting corner, slip stitch into starting chain, then chain 1. Continue in same direction and work 1 SC into first stitch, then work 5 DCs into next stitch. \*Skip one stitch, then work 1 SC into next stitch, skip one stitch, then work 5 DCs into next stitch. Repeat from \* around the blanket. When you reach the corners, you can substitute a SC for a slip stitch if it makes the corner look better, or you can skip an extra stitch if needed. When you reach the starting corner, slip stitch into starting stitch and tie off.
