PATTERN

Chain 9 inches in length.

Join with a slip stitch to the first chain to form a circle. Slip Stitch into each stitch around.

Do not join at the end of the round, continue slip stitching into the back loop of each stitch until the band measures about 18 inches long for an adult medium size head.

(These will stretch out to 22 inches, if the yarn you use isn't as stretchy, make the band a little longer.) Sew the two ends together using the twist method:

1. Fold band in half, matching one end to the center of the other end.
2. Fold half around the back
3. Fold the other side to the front
4. Sew the band together.
