STITCHES

Half Double Crochet (HDC): Yarn over (YO), insert your hook, YO and pull up a loop, YO and pull through three loops on hook.

Half Double Slip Stitch (HDSS): YO, insert your hook, YO and pull up a loop and pull directly through two loops on hook.

Single Crochet (SC): Insert your hook, YO and pull up a loop, YO and pull through two loops on hook.

PATTERN

Before beginning, it is helpful to work with 2 balls of the Fuchsia color so you don't have to carry the yarn through the rows, you will simply drop the Fuchsia, work with white, then work with a second ball of Fuchsia. I wound out a baseball size amount of yarn and that divided the skein in two.

Chain 26 with Fucshia.

Following the graph beginning in the bottom right-hand corner, each square represents a single crochet stitch. Begin in the second chain from the hook and work 1 SC into each chain for a total of 25 stitches. CH 1 and turn. (Always CH 1 and turn at the end of each row.)

Continue following the graph. When it comes to changing color, pull through with the new color on the last step of the stitch and begin working the next stitch in the new color.

When you have completed the last row of the graph (Row 23) don't turn.

Round 1: Work 1 more SC into that stitch then begin working down the side. *Work 2 SC into the end of a row, then skip a row and repeat from *.

Work 3 SC into the next corner then *work 2 SC, skip 1 stitch and repeat from *. (You are working the underside of the starting chain.)

Work 3 SC into the next corner and repeat working 2 SC per end of row or st, skip a row or st. Finish the round by working 1 SC into the starting stitch of the round. Join with a slip stitch, CH 1 and turn.

Round 2: Work 1 HDC into each stitch, work 3 HDC into each corner stitch. Join with a slip stitch to the first HDC of the round, ch 1 and turn.

Rounds 3 and 4: Work 1 Half Double Slip Stitch into each HDC, and 3 Half Double Slip Stitches into each corner. Tie off. (Don't turn or join between the rounds.)

Make another panel with or without the heart.

To join the two sides together, match up the sides and work 1 SC in each stitch and 3 SC into each corner.

Tie off and weave in all the ends.
