PATTERN

Chain 111 in Cloud White. (Pattern repeat is any multiple of 36, plus 3.)

Row 1: In the 4th chain from the hook work 1 DC. *HDC in each of the next 6 chains. HDC2tog across the next two chains and then across the next 2 chains. HDC in each of the next 6 chains. Work 2 DC into the next chain and also 2 DC into the next. Repeat from * until there is 1 chain left. Work 2 DC into the final chain, CH 3 and turn.

Row 2: Work 1 DC into the first DC of the row, (right at the base of the turning chain, not the next one), *HDC into each of the next 6 stitches (sts). HDC2tog across the next 2 sts, and then again across the next 2. HDC in each of the next 6 sts. Work 2 DC into the next st and also 2 DC into the next st. Repeat from * across the row. Work 2 DC into the top of the turning chain, CH 3 and turn.

Rows 3 - 6: Repeat Row 2. (Pull through with Brook on the last step of the stitch of row 6) *Tip: I did not cut Cloud White, I carried it up the side of the work. I did cut the colors and wove them in after.*

Row 7: Work Row 2 instructions with Brook. Pull through on the last step of the stitch with Posy.

Row 8: Work 1 DC in the first DC, *CL in each of the next 6 sts. HDC2tog across the next 2 sts, and then again across the next 2. CL in each of the next 6 sts. Work 2 DC into the next st and also 2 DC into the next st. Repeat from * across the row. Work 2 DC into the top of the turning chain CH 3 and turn.

Repeat rows 2 through 8 for the remainder of the blanket to the size you desire and ending with 6 rows of white. I alternated the colors for row 8 between Posy and Red Wagon.

BORDER

Before beginning the border, I wove in the ends, then worked 2 rounds of SC working evenly on the sides and 3 SC into each corner. Then joined with a slip stitch and tied off. I used almost all of the Cloud White for the blanket but had plenty extra of the colors. So if you are making this larger you probably only need to buy more of the white.
