STITCHES

Single Crochet (SC): Insert your hook, yarn over (YO) and pull up a loop, YO and pull through two loops on hook.

Slip Stitch (SL ST): Insert your hook, YO, pull up a loop and pull directly through loop on hook.

PATTERN

Chain 35 (or any number.)

ROW 1: Starting in the 2nd chain from the hook, work 1 SC into each chain. CH 1 and turn.

ROW 2: Work 1 SC into the front loops of each stitch across the row. CH 1 and turn. Repeat row 2 for 35 rows total.

BORDER

After finishing last SC of final row, CH 4. Starting in the second chain from the hook, work a SC in each of the 3 chains back toward the edge of the dishcloth. Slip stitch into the next space, and in the next space. Turn and work in the back loops of each of the 3 SC you just made. CH 1 and turn. Work back down and SC in the back loops only. (Be careful not to miss the 3rd stitch, it sometimes pulls tight and is hard to see.)

In each corner, only slip stitch once, before turning and working the SC back up to the border edge. Return and slip stitch into the corner space. Turn and work the SC back up to the border edge. (Should slip stitch into corner for total of two times.) Upon returning, slip stitch into next two spaces and continue working as before.

When you reach the corner you started with, work the corner the same as previous corners, but tie off when you are at the top of the border, leaving yourself a long tail. Use the tail to sew the sides of the corners together with a tapestry needle.
