Fill the Valleys on the bottom of the blanket by pulling up your first loop in the starting chain corner.

Follow the instructions for "Filling in the Valley's" above with the exception that the SC2tog are worked across 3 sts instead of 4. The middle "legs" of the stitch share the same st on the first row where you are working on the underside of the starting chain.

The rest of the instructions for filling in the valley are the same as above. The only exception is on the first row.

Border: With blue, work 2 SC at the end of each row, skip a row. Work 3 SC into each corner. Join with a slip stitch to the first st and CH 1. Continue in the same direction working 1 HDC into each SC and 3 HDC into each corner st. Do not join, continue in the same direction with 1 round of SC, working the SC in between each HDC and 3 into each corner st. Don't join, continue in same direction with working 1 SC into each SC and 3 SC into each corner, slip stitch at the end of the second round of SC and tie off.
