STITCHES

Single Crochet (SC): Insert your hook, yarn over (YO) and pull up a loop, YO and pull through two loops on hook.

PATTERN

Make a magic ring and chain 1. (Or if you don't know how to make one, chain 2.)

Round 1: Work 6 single crochet (SC) into the magic ring or into the first chain if you chained 2. Join with a slip stitch (SL ST) to the first single crochet of the round. CH 1 and turn.

Round 2: Work 2 SC into each SC, join with a SL ST to the first SC. CH 1, turn. (12)
(Tip: going forward "Join" will imply SL ST to the first SC of the round.)

Round 3: *Work one SC in first SC, 2 SC in next, repeat from * around. Join, CH 1 turn. (18)
(Tip: The first SC of the round is the one where you joined.)

Round 4: *Work one SC in each of the next 2 SC, 2 SC into the next, repeat from * around. Join, CH 1 turn. (24)

Round 5: (begin Mesh Stitch) Work SC into first SC, *CH 1, skip one SC, SC into the next. Repeat from * around ending with one SC at the base of the join st. Join, CH 1 turn. (13 SC, 12 CH)

Round 6 - 12: Work mesh stitch joining with a SL ST to the first SC of each round, CH 1 and turn.

(Tip: On these rounds of the mesh stitch, always work the first SC into the second stitch of the round, which will be a SC, and CH 1 across CH 1 spaces. Each round will begin and end with SC.)

Wrist: At the end of round 12, join and chain 6. Back loop single crochet in the second chain from the hook and the remaining 4 chains. Slip stitch to the first SC, the next chain space, and the next SC. *Turn work toward you, work back loop SC in each of the five SC, CH 1 and turn. Work back loop SC in each of the next 5 SC, slip stitch across the next 3 stitches. Repeat from * around the wrist.

Tie off and sew the starting chain 6 to the final row to seam the wrist, then weave in the end.

For the multi-colored version, I changed colors every 2 rows.
