### STITCHES

**Single Crochet (SC):** Insert your hook, yarn over (YO) and pull up a loop, YO and pull through two loops on hook.

**Back Loop Single Crochet:** Insert your hook into the little 'v' that is to the back of the work or furthest away from you. Work Single Crochet as described above.

## **PATTERN**

Choose either color to begin. Chain 17

**Row 1:** Begin in the second chain from the hook with a single crochet (SC), work 1 SC in each chain across the row. CH 1 turn. (16)

**Row 2:** Work 1 SC into each back loop across the row. CH 1 and turn. (16)

Repeat row 2 for 126 rows or approximately 36 inches

When you have 36 inches, pull through on the last step of the stitch with the new color.

Continue repeating Row 2 for an additional 125 rows or approximately 36 inches.

To finish, cut about an 8 to 12 inch tail then pull the tail through the final loop. Then, using the tapestry needle, weave the end in and out of the stitches about 5 or 6 time. Clip the yarn close to the fabric.

**Fringe:** Cut 64, 16 inch pieces of yarn. I made an 8 in x 3 inch card with cardboard to wind the yarn around in order to keep the pieces even. Thread two pieces of the fringe through each of the 16 stitch openings on both ends of the finished scarf using a loop knot.
