## PATTERN

Approximate Crochet Time: 6-8 hours

Chain 7 feet (84 inches) making sure you end with an even number of chains.

Tip: place a stitch marker every 50 chains to help keep track of the counting.

Moss Stitch (tap name to be taken to the video tutorial)

**ROW 1:** Starting in the 4th chain from hook, work 1 SC. \*CH 1. Skip one chain, SC in next chain. Repeat from \* across the row, ending with 1 SC into the last CH. CH 2 and turn.

**ROW 2:** Starting in the first CH 1 space from previous row, work 1 SC. \*CH 1, skip 1 SC, SC in next CH 1 space, repeat from \* across the row, ending with 1 SC worked into the space between the final SC and CH 2 turning chain from the previous row. CH 2 and turn.

REPEAT ROW 2 for approximately 20 rows or until the scarf is about 12 inches wide.

Cut yarn leaving at least 8 inches of tail. Secure last stitch by pulling it through the loop to create a knot then weave in the end with a tapestry needle.

**Pockets:** Fold up ends 10 inches. Secure with stitch markers. Using a tapestry needle and leftover yarn, stitch the sides together leaving a 6 to 8 inch tail at each end.

Remove stitch markers and weave in ends. I used a blanket stitch but whatever stitch you like is fine as well.
