PATTERNS

Chain 50 or any even number depending on how fluffy you would like the pom-pom to be.

ROW 1: Starting in the 2nd chain from hook, work 1 Slip Stitch (SL ST), SL ST into the next ch.

Fringe: *Chain 13. Starting in the 2nd chain from the hook, work one HDSS in each of the next 12 chains. Ending at the base chain. (The fringe grows up from the base chain.)

1 SL ST into each of the next 2 chains on the base chain. Repeat from * until you reach the 48th chain. Slip Stitch into the last chain. Tie off leaving a 12-inch tail.

Finishing:

Thread a tapestry needle with one of the yarn tails. Weave the needle in and out across the base chain to gather.

Stitch the two ends together to form your pom-pom then stitch the pom pom to the elastic.

Attach to the interior button on the hat by pulling the elastic through the top of the hat and twist around the button.
