Tip: for a neat appearance, make sure you turn your work in the same direction after each row.

Row 2: Begin in the back loop of the first stitch with 1 SL ST. SL ST into the back loop of each st across the row. CH 1 and turn. (4)

Repeat row 2 until you have 11.5 inches in length and an even number of rows.

Main Stitch

Row 1: Turn and work down one long side of the brim. Work 1 SC per each 2 rows for an even number. CH 1 and turn. (If you are using the same yarn I did, my number was 42 SC)

Row 2: SC into the front loop of the first stitch, then *SC into the back loop of the next st. SC into the front loop of the next st. Repeat from * across the row, (Your last SC should be worked into a back loop). CH 1 and turn.

Repeat row 2 until you have 5 inches in width from the brim to the edge of your work. Tie off with a long tail. Use your tapestry needle to sew. Fold the hat in half and sew the back together, weave in the end.

Making the ties

Row 1: Begin in the front corner of the brim. Work SC into each of the first 4 SL STs of the brim. Work SC into every other row to decrease and gather the back of the hat. Work 4 SC into the final 4 SL ST of the brim. CH 1 and turn.

Row 2: Work 1 SC into each SC around the bottom of the bonnet. When you get the end, CH 50 for the first tie. Turn.

Row 3: Work HDSLST (yarn over slip stitch it's sometimes called) into each of the remaining 49 chains. Work SC into each SC around the bottom of the bonnet. CH 50. Turn.

Row 4: Work HDSLST into each of the remaining 49 chains. Work SC into each SC around the bottom of the bonnet, SL ST to first st of the tie. Tie off and weave in the end.
