PATTERN

Chain 280 any even number for 7 feet (84 inches) There will be a total of 26 rows.

ROW 1: Starting in the 2nd chain from hook, work 1 SC. *CH 1. Skip one chain, SC in next chain. Repeat from * across the row, ending with 1 SC into the last CH. CH 1 and turn. (279 total sts.)

ROW 2: Starting in the 1st stitch, SC into SC of previous row. *CH 1, skip the chain space, SC into the next SC. Repeat from * across the row, ending with 1 SC into the last SC. CH 1 and turn.

REPEAT ROW 2

Cut yarn at the end of each color change leaving at least 8 inches of tail. Secure last stitch by pulling it through the loop to create a knot then weave in the end with a tapestry needle.

Chunky Fun Fringe

Find the first chain at the bottom corner of the scarf. Insert hook and pull up a loop leaving an 8-inch tail to weave in later. Across the bottom of the scarf crochet one row of slip stitches chain 1 and turn. Crochet one row of Single crochet, chain 1 and turn. (26)

NOTE: My scarf was a little loose at the ends and I found the one row of slip stitch pulled it in and squared it off nicely. I followed with the Single Crochet row because two rows of Slip stitch pulled it in too much. Also finding where to place the hook is a little tricky, you just want to make sure to have 26 stitches across. Fringe

*Slip stitch into each of the next 2 sts, chain 21, turn. Starting in the second chain, work 1 slip stitch into each chain. (20)

Slip stitch into the scarf chain to anchor, turn and work SL ST into the back loop of each SL ST of the fringe. At the top of the fringe chain 1 and turn and SL ST into each back loop of SL ST for a total of 3 rows of slip stitch.

Repeat from * for a total of 6 chunky fringe pieces, Sl ST into the last two spaces, Secure last stitch with a slip stitch, pull through and knot. Weave in ends.
