SIZE

You can make this sweater from Newborn to size 24 months.

The sizes in the chart are for average size babies. The best is to take measurements of the child you are making this for or even better is to measure it against a purchased sweater in the size you need.

PATTERN

Neck Ribbing

Chain 5

Row 1: Begin in the second chain from the hook with SL ST. Work 1 SL ST into each remaining ch. CH 1 and turn. (4)

Row 2: Work 1 SL ST into each st across the row. CH 1 and turn. (4)

Row 3: repeat row 2 until you have 64 rows. Place a stitch marker in last stitch while you sew.
Sew with a tapestry needle the starting chain bottom edge to the last row of stitches to form a circle.

PATTERN

Bodice

Work all rounds in the same direction, do not turn work.

Round 1: Remove stitch marker, working on the outside edge of the neck, work 2 SC at the end of every other row. Join with a SL ST to first st of the round. (64)

Mark stitch #12, #32, #44. (The join is stitch #1)

Round 2: CH 2. Work 2 HDC into the same st as join. HDC into each st, [HDC, CH 2, HDC] into each marked st. Join with a SL ST to the space created by the starting ch 2. (Count the HDC's between each ch 2 spaces, you should have 13 over the shoulders and 21 for the back and front, total 68.)

Round 3: CH 2. Work 1 HDC into the same st as join. HDC into each st, [HDC, CH 2, HDC] around each ch 2 space. Join with a SL ST to the starting ch 2 space. (You should have 14 over the shoulders and 22 for the front and back, total 72)

Tip: Going forward, each round increases by 4 stitches.

Round 4 to the size needed: As round 3.

Sizes: Newborn: 8 rounds; 3-6 months: 10 rounds; 6 -9 month: 12 rounds; 12-18 months: 14 rounds; 24 months, 16 rounds.

Joining for Armholes

In the last stitch of the round, pull through with White, SL ST to CH 2 space. CH 1 and HDC into same space as join.

Round 1: CH 4 (or 6 if you need more width), SKIP over all the stitches to the next ch 2 space. Work HDC around the chain 2 space. HDC into each stitch to the next ch 2 space. CH 4 (or the number you did for the last one) SKIP over all the stitches to the next ch 2 and HDC around the ch 2 space. HDC into each st up to the first HDC of the round. Do not join.

Round 2: Work 1 HDC into each st and work the same number of HDC's around the chains for under the arms. (For Example, if you worked 4 chains, work 4 HDC.)

Round 3: Work 1 HDC into each st around, change color at the end of the round.

PATTERN

Remaining Bodice:

Work in continuous rounds to the size needed.

Newborn: 10 more rounds, 3-6, 12 more rounds, 6-9, 13 more rounds, 12-18, 14 more rounds, 24 months, 16 more rounds.

Ribbing:

After making the last HDC of the round, SL ST to the next stitch, chain 8 and turn. Work SL ST into each ch. SL ST across the next 2 sts on the base of the sweater. Turn and work back loop SL ST to the edge of the ribbing. CH 1 and turn. Work back loop SL ST to the base of the sweater. SL ST 1 time to the next stitch. Work in this manner around the base of the sweater.

(Tip: you are easing the ribbing around the bottom, alternate slip stitching either one or 2 times when you return to the base of the sweater.)

When you complete the round, tie off and sew the beginning edge to the final stitches in the same way you sewed the neck.

Arms:

With White.

Round 1: Pull up a loop in between the stitches in the armhole (where you chained across). CH 1 and HDC into the same space. Work HDC2tog across and in between the next two stitches. HDC2tog across the next and the space before the first stitch of the round. HDC into each stitch around. HDC2tog across the space and first stitch, HDC2tog the next 2 stitches.

Round 2: Join and ch 1,(only time you will join) continue in the same direction, HDC into the first st of the round, and each st around.

Round 3: HDC into each st of the round, on last st, pull through with new color.

Round 4 until you have the length you need: HDC into each st of the rounds.

Ribbing around the wrist:

After making the last HDC of the round, SL ST to the next stitch, chain 5 and turn. Work SL ST into each ch. *SL ST across the next 2 sts on the base of the arm. Turn and work back loop SL ST to the edge of the ribbing. CH 1 and turn. Work back loop SL ST to the base of the sweater. Repeat from * around the wrist. When you complete the round, tie off and sew the beginning edge to the final stitches in the same way you sewed the neck.
