PATTERN

Chain 50. (or 12 inches for the size I'm making Kate, she has a 15 inch head circumference)

Row 1: Begin in the second chain from the hook and work SC. SC into each chain across the row. CH 8 and turn.

Row 2: Begin in the second chain from the hook and work 1 HDSS. HDSS into each chain, SC into each SC across the row, CH 8 and turn.

(tip: You can make your fringe any length you'd like, if chaining 8 is too long, chain a fewer amount.)

Row 3 to 8: Repeat row 2 instructions until you have 8 rows worked.

After the last fringe is worked, slip stitch to the first SC of the row, tie off and weave in the ends.

Fold band in half, wrap the polyband elastic around the base of the fringe.

Feel free to make this even wider, I would suggest making this 4.5 inches wide for an older child.
