Color 2

ROW 5: Repeat Row 1 through 3.

Tip: The first row of SC after the BPSC should be worked into the SC row that is behind the BPSC row. The BPSC is never worked into.

ROW 6: Repeat Row 4 and Row 5 Continue for a total of 120 rows.

For the center stripe, reverse color 1 and color 2 at row 44 and switch back at row 88. There should be 10 rows of BPSC in each section.

Tip: Keep in mind that the BPSC rows are all worked on while looking at the non-textured side of the blanket. This blanket is easily sized up or down by increasing or decreasing the repeat section of the pattern.

Tie off and weave in the ends.

CROCHET FRINGE BORDER

STITCHES

Single Crochet (SC): Insert your hook, YO and pull up a loop, YO and pull through two loops on hook.

Slip Stitch (SLST): Insert your hook, YO and pull a loop back through and through loop on hook.

PATTERN

For this add-on version of Fun Fringe, I made two separate balls of yarn and doubled up the strands to create a chunky fringe. I also used a different color of fringe on either end because I couldn't make up my mind which color I liked best! I worked one row of single crochet at each end to create a uniform row from which to work the fringe.

ROW 1: Pull up a loop and work SC. SC into each space along the row. Chain 1 and turn.

ROW 2: Work a slip stitch into the first space from the hook. Chain 7,

ROW 3: Turn and work a slip stitch into each chain. At the base, work a slip stitch into the same space the chain started from. Work a slip stitch into the next chain.

Repeat Row 2 and Row 3 until finished. Tie off and weave in the ends.
