PATTERN

Use the graph below. Odd numbered rows are read right to left. Even numbered rows are read left to right.

Chain 121 (pattern repeat is any odd number times 24 plus 1.)

Row 1: With White, begin looking at the graph in the bottom right-hand corner marked (1). In the second chain from the hook *work 1 SC. DC into the next chain. Repeat from * across the row. Ch 1 and turn.

Row 2: Begin looking at the graph marked (2) on the bottom left-hand corner. In the first stitch, *work 1 SC, DC into the next st. Repeat from * across the row.

Going forward, all stitches are alternating SC and DC, and always ch 1 and turn. I will just be denoting the color changes.
