Pattern by Cyndi

MATERIALS

- 1 skein *Caron One Pound*, Acrylic Yarn, White
- 1 skein *Caron One Pound*, Acrylic Yarn, Cream
- 1 skein *Red Heart Super Saver*, Acrylic Yarn, Cornmeal
- 9mm crochet hook,
- Scissors, tapestry needle, measuring tape

STITCHES

Single Crochet (SC): Insert your hook, YO and pull up a loop, YO and pull through two loops on hook.

Back Post Single Crochet (BPSC): Insert your hook around the post from back to front and to the back again, YO and pull up a loop, YO and pull through two loops on hook.

PATTERN

Gauge: 4 inches = 8 stitches and 8 rows (gauge taken from the blanket)

Chain 100 or any even number needed for approximately 4 ft

Color 1

ROWS 1 THROUGH 7: SC in the second chain from the hook, SC into each chain across the row. On the 8th row, pull through with Color 2, cut color 1. CH 1 and turn.

Color 2

ROW 8: Work 1 SC into the 1st stitch, BPSC around the 1st post. Continue working BPSC around each post. SC into the last stitch of the row. CH 1 and turn.

ROW 9: SC into the first SC space. Work SC into each space across the row.

Note: The first row of SC after the BPSC should be worked into the SC row that is behind the BPSC row. The BPSC is never worked into.

ROWS 10 - 12: Repeat ROWS 8 & 9

ROWS 12 - 19: Pull back through with color 1, cut color 2 or 3. Ch 1 and turn. Repeat ROWS 1-7 Alternate the repeat sections of the pattern for a total of 8 sections of SC Color 1 and 4 sections of BPSC Color 2 and 3 sections of Color 3. For a total of 91 rows.

Tip: Keep in mind that the BPSC rows are all worked on while looking at the non-textured side of the blanket. This blanket is easily sized up or down by increasing or decreasing the repeat section of the pattern. Tie off and weave in the ends. (check out the tutorial for a nifty way to hide loose ends I recently discovered!)

Crochet Fringe Border

ROW 1: Start at the bottom corner stitch. Pull up a loop and work SC. SC into each space along the row. Chain 1 and turn.

ROW 2: Work a slip stitch into the first space from the hook. Chain 10.

ROW 3: Turn and work a SLST into each chain. At the base, work a SLST into the same space the chain started from. Work a SLST into the next chain. Weave in ends. Repeat on the other end.
