PATTERN

Chain 20.

Row 1: Starting in the 3rd chain from the hook, work 1 HDC in each chain. CH 2 and turn.

Row 2: Work 1 front bottom loop HDC in each stitch across the row. CH 2 and turn.

Repeat row 2 until your scarf measures about 27 to 28 inches or your desired length (make sure you have enough yarn left to combine the ends).

When you reach the end of your scarf, you can either tie off and leave yourself a long tail that you can use to sew the two ends together with a tapestry needle, or you can CH 1 and then slip stitch the two ends together, inserting your hook through both ends of the scarf as you go.

When finished, tie off and weave in all ends with a tapestry needle.
