Brim

Chain 10. (Leave a long tail for sewing when you make the starting slip knot)

ROW 1: Begin in the second chain from the hook with SC. SC into each chain across the row. CH 1 and turn. (9)

ROW 2: Work SC into first st of the row. Work back loop SC into each of the next 7 sts. SC into last st of the row. CH 1 and turn.

(Tip: the first st and last st of the band are worked under both loops (regular SC). The other SC are worked into the back loops.)

ROW 3: Repeat row 2 until 3 inches less than the head circumference needed. (See size chart above.) For an adult medium size hat chain until you have 19 inches. (or if you like a more snug fit, 4 inches less than head circumference)

Place a stitch marker into the last stitch to hold the st while you sew the band into a circle with the tapestry needle. Replace hook into the stitch and chain one.

Round 1: With the outside of the band facing you, work 2 SC into the end of a row, skip a row. Repeat from * around the entire band. Join with a slip st to the first SC. CH 1 and turn. You should have an even number of SC.

Round 2 and 3: Work 1 HHDC into each st around. Join with a SL ST to the first st of the round, CH 1 and turn.

Round 4 and 5: Work 1 CL into the first st of the round, SC into the next. Continue alternating CL and SC around. Join with a SL ST to the first CL of the round, CH 1 and turn.

To finish as a Bun Beanie:

Round 16: Place an elastic hair tie on the inside of the hat and work SC into each st catching the hair tie as you go. Tie off and weave in all ends.

To finish as a hat with a pom pom or plain, with tapestry needle, weave in and out of top stitches and gather in. Continue around to further gather in. Weave in end.

Sew a button on the underside of the hat if using a pom pom with an elastic.

Sew snaps to the top of the hat if using pom pom with snaps.

Thank you so much for stopping by! I hope you have fun making the dreamy hat or bun beanie.
