PATTERN

Chain 52 or (9.5 inches or length needed for size) 9.5 inches is for the 12-month-old to 18 month size.

ROW 1: SLST into each of the first 5 sts. SC into each stitch to the end of the row. CH 1 and turn. (51)

ROW 2: SC into the first st. BLSC into each of the next 19 sts. Place a stitch marker in that SC. Work FLSC into next st, work BLSC into the next st. Repeat from * across the row until the final 5 sts. Work BL-SL ST into final 5 sts. CH 1 and turn.

TIP: when making larger sizes, measure 4 inches from the start of row 2 and place stitch marker in that stitch. For all sizes the brim is 4 inches.

ROW 3: BL-SL ST into each of the first 5 sts. *FLSC into the next st, BLSC into the next st. Repeat from * to the marked st. BLSC in each st. Work regular (under both v's) SC into the last st. CH 1 and turn.

Repeat rows 2 and 3 until you have the width needed for size making your last row end at the brim side of the hat.

Tie off with an extra long tail. Use a tapestry needle to sew the sides together and gather in the top of the hat.

Gather the top of the hat with your needle several times to continue tightening the top.

If you purchased the snap pom poms, sew the half of the snap onto the top of the hat as you are finishing the last round of gathering. Weave in the end.

Snap on the pom pom.
