PATTERN

With Aran, chain 130 or any even number to the length you desire, see size chart suggestions above.

ROW 1: Starting in the 4th chain from hook, work 1 SC. *CH 1. Skip one chain, SC in next chain. Repeat from * across the row, ending with 1 SC into the last CH. CH 2 and turn.

ROW 2: Starting in the first CH 1 space from the previous row, work 1 SC. *CH 1, skip 1 SC, SC in next CH 1 space, repeat from * across the row, ending with 1 SC worked into the space between the final SC and CH 2 turning chain from the previous row. CH 2 and turn.

Repeat ROW 2 instructions for the entire scarf, making the color changes as follows:

7 rows Aran
1 row Gray Heather
2 rows Orchid
2 rows Medium Purple
2 rows Orchid
2 rows Medium Purple
1 row Gray Heather
7 rows Aran

Tip: To change color, pull through on the last step of the last SC on the row with the new color. Cut old color leaving a long tail to weave in later.

After finishing the scarf and weaving in all the ends, work one round of SC around the entire scarf. Begin by pulling up a loop in any corner and chaining one. Then work SC into that same space and work SC as evenly as possible around the edges. Work 3 SC into each corner space. Join with a slip stitch to the first SC of the round and then tie off and weave in the end.
