PATTERN

Chain 31

Row 1: In the second chain from the hook work SL ST. SL ST into the next 3 chains. SC into the next chain, DC into the next chain. Alternate SC and DC into the next 14 chains. HDC into each of the remaining 10 chains. CH 2 and turn.

Row 2: HDSS in first st. Work Back Loop HDSS into each of the next 9 sts. *SC into the next DC, DC into the next SC. Repeat from * across the next 14 sts. Back Loop SL ST into each of the remaining 4 SL STs. CH 1 and turn.

Row 3: Work Back Loop SL ST into each of the next 4 SL STs. *SC into the next DC, DC into the next SC. Repeat from * across the next 14 sts. Back Loop HDC into each of the remaining 10 sts. CH 2 and turn.

Tip: For a neat appearance, the last HDC of the row can be worked under both loops, instead of back loop. The first HDSS can be worked under both loops instead of back loop as well.

Repeat row 2 and 3 until you have 18 inches width. End the last row worked at the brim end of the hat. Fold hat in half lengthwise, Zig Zag SL ST the starting chain row and final row together. Tie off with a long tail. Use a tapestry needle to sew and gather the top of the hat closed.

Attach a pom with an elastic by sewing a button on the underside of the hat, or if using a snap on pom pom, sew a snap onto the top of the hat.
