PATTERN

Chain 130 with Marshmallow. (To make your blanket bigger or smaller you can chain any even number.)

ROW 1: Starting in the 4th chain from hook, work 1 SC. *CH 1. Skip one chain, SC in next chain. Repeat from * across the row, ending with 1 SC into the last CH. CH 2 and turn.

ROW 2: Starting in the first CH 1 space from the previous row, work 1 SC. *CH 1, skip 1 SC, SC in next CH 1 space, repeat from * across the row, ending with 1 SC worked into the space between the final SC and CH 2 turning chain from the previous row, changing to new color on last step of the stitch. CH 2 and turn.

ROW 3: Repeat row 2 with Gray. On the last step of the last SC of the row, pull through with Marshmallow using the second skein.

For the rest of the blanket, the stitch pattern is always Row 2 instructions (the moss stitch.) The color changes are as follows: Violet Gray, Brook, Duckling, Red Wagon, Brook, Violet Gray, Red Wagon, Duckling.

Always work 2 rows of Marshmallow in between any of the other colors. Always work 1 row of color. The yarn can be carried up the sides of the blanket and covered with the border to avoid weaving in excessive amount of ends.

You will use both skeins of Marshmallow simultaneously, one for each side of the blanket so the color will be there when needed.

Border:

ROUND 1: When you finish your last two rows of Marshmallow on the blanket, chain 2 and start working down the side, working a SC, CH 1 at the end of every other row. Work 3 SCs into the corners. When you reach the corner you started with, slip stitch into the corner, then chain 2 and turn.

ROUND 2: Repeat round 1. When you reach the corner you started with, join new color with the slip stitch, ch 2 and turn.

ROUND 3: Repeat round 1 in new color.

ROUND 4: (pom pom round) *Chain 3, in the first chain, work 1 DC5tog cluster. SL ST into the next st and the next 3 sts. Repeat from * around the entire blanket.
