BORDER

Pull up a loop in a corner, then CH 1. Work 1 round of SC around the edge of the blanket. Work 3 SC in each corner.

At the starting corner, slip stitch into starting stitch. Continue working in same direction and CH 5. Starting in the 2nd chain from the hook, work SC in each of the 4 chains back toward the edge of the blanket. *Slip stitch into the next stitch, and in the next stitch. Turn and work in the back loops of each of the 4 SC you just made. CH 1 and turn. Work back down the SC in the back loops only. (Be careful not to miss the 4th stitch, it sometimes pulls tight and is hard to see.) Repeat from across * each side.

CORNERS: When you reach a corner space, only slip stitch once, before turning and *working the SC back up to the top of the border. Return and slip stitch once into the corner space. Repeat from * two more times, then resume slip stitching into each of the next two stitches and working across the side.

(If your corner isn't looking rounded enough, you can slip stitch an additional time into the corner and work up and down an extra time with SC, or if it is causing the border to ripple, you can slip stitch into the corner only two times instead of three.)

When you reach the starting corner, work the corner the same way as previous corners. Stop when you get to the top of the border and tie off, then use a tapestry needle to sew corners together. Then tie off, weave in any additional ends and enjoy your blanket!
