STITCHES

PATTERN

Chain 40 (or any even number).

Row 1: Starting in the 4th chain from the hook, work SC, CH 1. Skip the next chain then work another SC, CH 1. Continue working SC, CH 1 in every other chain. You should end with one SC in the last chain. CH 2 and turn.

Row 2: Work SC, CH 1 into the chain one space of the row below (in the space underneath the 4th chain from the hook). Skip the next stitch, then work SC, CH 1 in the next chain one space. Continue working SC, CH 1 into the all the chain one spaces from the row below. End with a SC that is between the last stitch and the turning chain of the row below. CH 2 and turn.

Repeat row 2 until your scarf measures about 54 inches or your desired length. To make an infinity scarf you can either tie off and leave a long tail to sew the two ends together, or slip stitch the two ends together and then tie off and weave in ends.

Then enjoy your scarf!
