*Tip:* do not cut the green or orange yarn, you will carry it across the back of the hat and pull it up when needed.

**Row 3:** Begin in the second chain from the hook with YO SL ST, YO SL ST into each of the remaining 8 chains, on the final chain, pull through with orange. Work back loop SL ST into each of the next 5 SL STs, \*SC, CH 1, skip one chain, repeat from \* across. End with final 10 SC. CH 1 and turn.

## **PATTERN**

**Row 5:** SL ST into each of the next 5 SL STs, \*SC, CH 1, skip one chain, repeat from \* across. End with final 10 SC. CH 1 and turn.

Repeat rows 2 through 5 until you have 13 curly q's made. End on a row 5 instruction.

Tie off the green and weave in the ends.

Fold the hat in half, work a zig zag slip stitch or regular slip stitch to join the two sides together. When you reach the top, tie off with a long tail. Use a tapestry needle to sew the top of the hat together. Make several rounds with your needle to bring the top of the hat in tight. Tie off the orange and weave in the end.
